NOTES
DISCLAIMER
 Services shown hereon have been located where possible by field survey. All Services are not shown. Reference must be made to the relevant authority Services search. Field confirmation was not possible without extensive excavation which was not practical within the terms of this commission. No responsibility therefore is accepted by JOHN KENNETH AKERS, for the accuracy or completeness of such information, and due diligence should be exercised on any design work or excavation which may be affected by this uncertainty.
 Where readily available, IL's, internal diameters & depths were obtained for Pipes, Manholes and Catchpits.
 Prior to any demolition, excavation or construction on the site, the relevant authority should be contacted for the possible location of further underground services, and detailed locations of all services.
 Title boundaries shown hereon were not marked at the time of survey and have been determined by plan dimensions only and not by field survey.
