HELLO AND THANK YOU

- 'Know your numbers, design your future, beat the odds.'
- Background – child prodigy, environmental scientist, UN whistleblower, fundraiser, numerologist and writer.
- Overcame toxic past, disability, illness etc. to have a family.
- I help leaders to change the world, by connecting them with the I I: I Angels, numerology and intuitive guidance.

MY WHY & WHO I HELP

- Left senior account manager role to read palms in 2011 so I could have kids and save myself, not just the Earth.
- Proud mum and sole provider for 3 boys under 8.
- Worked intensively with 5, 500+ clients including top entrepreneurs, investors, healers, athletes, doctors, lawyers, biz owners. 'Financially free, spiritually stuck'
- 80+ media appearances reaching millions, despite critics.

NUMBERS ARE THE MATRIX

- I've meditated for 29 years (since 14) and kept diaries for 37 years.
- Have spent a lifetime studying the top 1% and ultra high achievers.
- These people know that money has a spiritual/ Divine aspect.
- Many use techniques like numerology, energy healing/ protection and psychic forecasting to get to the top and stay there.
- They hide this to avoid criticism and giving away their advantage.

WHAT I DO

- Instantly reactivate your intuition (inner teacher) and power.
- Remove blocks and co-create wins during each 9 year cycle.
- Create lifetime personal, family, business and property charts.
- Counsel and coach you to capitalise on big opportunities.
- Teach you ethically how to raise energy and be an authority.

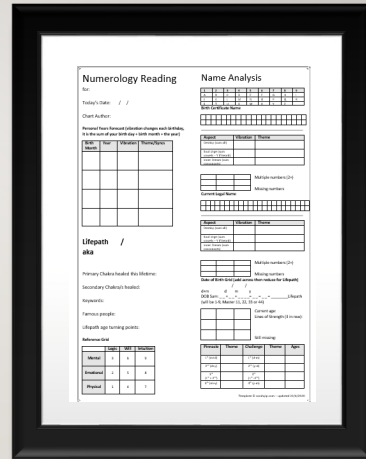

THE GOLDEN TOUCH

- Knowing your purpose makes YOU a King or Queen. 'Better one day as a lion than a lifetime as a lamb.' Leaders can make change (physical and financial) anywhere they go.
- Money is an anagram of 'my one'. Comes from Goddess Juno Moneta, who warned armies and was worshipped as a result.
- Money has a 27/9 numerology, the same as Empath, Child, School, Witch and World. It enhances our ability to 'reproduce.'

MY READINGS COVER YOUR

- Life path – spiritual job description, age turning points, Angel #s.
- Name meaning – impact on career, love life, public/ brand image.
- DOB grid – personality gifts and obstacles to confront.
- Pinnacles and Challenges – timings for major life changes.
- Personal years – annual focus, can be used to create 12 month forecasts with personal months (can also track personal days).
- House numerology (for Platinum bookings) + Q and A time.

ANGEL NUMBERS

- Seeing repeated numbers like 11:11, 111, 222, 333, 444 etc. often happens during periods of spiritual growth.
- The numbers can be a sign from Spirit Guides as well as reminders to focus on certain areas of our life purpose.
- We often see numbers related to the global energies (e.g. 999 is the code for 2025, a Universal 9 year), our life paths, personal years and the life paths of the people we love.

FIND YOUR LIFE PATH

- Numerology is mathe-magics. An instant way to 'Soul'.
- Of the 117 billion ppl born, you are on a unique mission.
- Your spiritual job description is revealed by your DOB.
- This code also reveals timings for success and maturity.

FIND YOUR LIFE PATH CONT.

- I use the add across method. Other methods lose important age turning points. A calculator is available at <https://sarahyip.com/find-your-life-path/>
 - Write your DOB as dd/mm/yyyy
 - Add across to reach a double number e.g.
 - 27/01/1981 =
2+7+0+1+1+9+8+1 = 29
- Reduce to a single digit
29 = 2+9 = 11 = 1+1 = 2
This person (me) has a 29/11/2 life path (LP)

- DOB _ / _ / _ _ _ _
- Add together
_ + _ + _ + _ + _ + _ + _ + _ = _____
- Reduce to a single digit (1-9)
_ + _ = _____
- I have a _____ life path

Notes: 11/2, 22/4, 33/6 and 44/8 are Master Numbers with double ups and downs and psychic powers. Most adults have a double or triple digit LP. Many kids have a single digit LP e.g. Pure 8, showing early maturity and a big need for emotional/ social support (due to multiple 2s and 0s).

FIND YOUR LIFE PATH CONT.

- I encourage you to calculate the life paths of at least 2 loved ones/ close associates as well:
- Person 1's name:
- DOB _ / _ / _ _ _ _
- Add together
_ + _ + _ + _ + _ + _ + _ + _ = _____
- Reduce to a single digit (1-9) or 11/22/33/44
_ + _ = _____
- They have a _____ life path

- Person 2's name
- DOB _ / _ / _ _ _ _
- Add together
_ + _ + _ + _ + _ + _ + _ + _ = _____
- Reduce to a single digit (1-9) or 11/22/33/44
_ + _ = _____
- They have a _____ life path
-

FIND YOUR LIFE PATH CONT.

- It's fascinating to calculate life paths for your:
 - Grandparents
 - Parents
 - Siblings
 - Romantic partner/ ex partners
 - Children and step children
 - Grandchildren
 - Business partners
 - Favourite celebrities and worst enemies, etc.!
- Please, always double check the DOB for the person you are calculating for. If you can't find it, or keep adding the DOB wrong, it's possible their Soul is not open to you knowing this info yet
- Be sure to use this knowledge for the highest good or it karmically backfires.
- People with the same life path can differ in personality and results due to free will, environment, different name numerology, DOB grids, personal years and so on. Life path is only 25-30% of your chart. Think of variety in tree species.

LIFE PATHS – PROS IN THE WORKPLACE

- Everything is subject to free will!
- 1's get it done – they pursue missions to completion and attract adoring followers
- 2's and 11's know what to do – they bring together disparate groups/ overcome conflicts
- 3's start companies – they're logical group leaders and lightning fast learners/ wits
- 4's and 22's keep the score – nothing misses them - many accumulate massive wealth (in the form of money, connections etc.)
- 5's want to feel alive – they're intrepid explorers who go where others fear, unable to conform

- 8's and 44's co-create – no one beats an 8! The most competitive and private of all numbers
- 9's cross finish lines – they sacrifice for the greater good and have high pain tolerance

LIFE PATHS – CONS IN THE WORKPLACE

- The secret is to create diverse teams...
- 1's can be too single-minded and miss out on opportunities to collaborate and compromise
- 2's and 11's can overuse their charms and/ or procrastinate when hard decisions are needed
- 3's can become scattered/ attract too many choices if they don't stay true to their instincts
- 4's and 22's may win the battle but lose the war, they need to stay in touch with their hearts
- 5's can listen to everyone but themselves and fall into escapism or fantasy
- 6's and 33's can get preoccupied with looking good and impressing others with 'figures'
- 7's can be perfectionist to the point of isolation
- 8's and 44's can become obsessive and fall into cycles of extremes – they're learning to rest
- 9's can lose themselves in solving the issues of others and become targets for burnout/ bullies

LIFE PATH AGE TURNING POINT - EXAMPLES

- Your LP shows timings for learning and maturity e.g. I'm a 29/11/2 who began studying numerology at 29.
- Dr Maya Angelou was a 28/10/1, at 28 she toured with Porgy and Bess and was making her first album.
- Dr.Wayne Dyer was a 20/2, at 20 he realised he didn't want to be in the Navy and was deeply inspired by JFK's 'ask what you can do for your country' speech to devote his life to service.
- Kylie Minogue is a 39/12/3, at 39 she released a comeback album (after surviving breast cancer and a separation.)
- Donald Trump is a 31/4, at 31 he got married, had a son and did his first major real estate deal.
- J.K. Rowling is a 32/5 whose first Harry Potter book came out a few weeks before she turned 32.

LIFE PATH AGE TURNING POINT - EXAMPLES

- Steve Irwin was a 24/6 who started filming himself saving crocs at 24 after his Dad gave him a camera.
- Elizabeth II is a 25/7 who became Queen at 25 after her father passed. (Diana was also a 25/7 btw)
- Elon Musk is a 34/7 who launched the Falcon 1 at 34 and secured a U.S. Airforce contract for SpaceX.
- Nelson Mandela was a 35/8 who had just opened the first black-owned law firm in South Africa at 35.
- Adele is a 36/9 who announced she was leaving music indefinitely at 36 (this year) in her personal 9 year. She has praised Raygun, who is a 36/9 who is also 36, has just finished her personal 9 year and is retiring from breakdancing after much controversy. 9s teach us about graceful exits and ego death...
- There are no coincidences. We are attracted to and triggered by our Soul tribe in numerology.

DOB GRID TEMPLATE FOR REFERENCE

	Logic	Will	Intuition		Logic	Will	Intuition
Mental	3	6	9	Mental			
Emotional	2	5	8	Emotional			
Physical	1	4	7	Physical			

DOB: / /

Tip: Allocate numbers in the DOB to the correct squares in the second grid, to look for repeated numbers, lines of 3 numbers in a row (e.g. 1-2-3) or lines of 3 blanks in a row (e.g. no 4-5-6).

PERSONAL YEAR CYCLES – 9 YEARS OF HEALING

- Planning based on personal years brings confidence and success. It busts fear and doubt.
- Simple add up the date of your last birthday and reduce to 1-9 (option: or 11/22/33/44).
- E.g. 27/01/2024 = 2+7+0+1+2+0+2+4 = 18 = 1+8 = 9, I am in a 9 personal year until January 2025.
- After testing, I believe that the Personal Year starts on your birthday/ in your birth month. This fits with my prediction method using Pinnacles and Challenges. Other people say that it starts on January 1. You can test both systems if you like.
- Visit <https://sarahyip.com/personal-year-numerology-future-hold/>

PERSONAL YEAR CYCLES CONT.

- Date of your last birthday / /
- Add it up _ + _ / + _ + _ + / + _ + _ + _ + _ =
- I'm in a _____ personal year until _____
- Themes are: 1 Beginnings, 2 Partnerships, 3 Creativity, 4 Love, 5 Risk, 6 Vision, 7 Wisdom, 8 Abundance, 9 Conclusions. Our 9 and 1 personal years are always big!

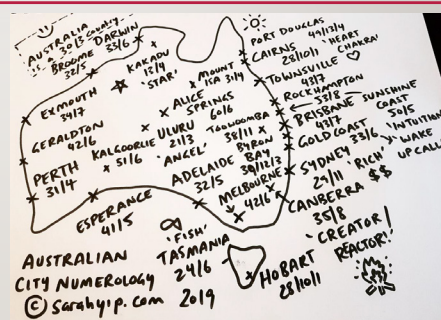

HOUSE NUMEROLOGY

- My house numbers article has been shared worldwide: <https://sarahyip.com/house-number-means-property-numerology/>
- It's crucial to use a shortlist first and numbers second.
- Also to look at number, address and occupants.

HOUSE NUMEROLOGY TIPS CONT.

- To find your street number, use the table to the right. E.g. SMITH ST becomes $1+4+9+2+8+1+2 = 27 = 2+7 = 9$ energy (Humanitarian).
- Analyse the street name as published on signage.
- In the end, your intention and how you live is more important than your address, as you attract what you are. When you invest in people, they will become your best assets.

Letter-Number table – use for analysing house addresses, personal and business names etc. See my analysis of Aust. cities (Brisbane is actually a 34/7).

What Your House Number Means – Property Numerology with Sarah Yip

© 2024 Please do not copy or distribute without permission, thank you. This is a summary of:
<https://sarahyip.com/house-number-means-property-numerology/>

Key Points

- Numerology is big business in Asia. People pay huge premiums e.g. for 8 addresses.
- In numerology you have a life purpose or life path, aka your spiritual job description. It comes from the sum of your DOB, reduced to a number between 1 and 9. Sums of 11, 22, 33 and 44 are not reduced as they are Master Numbers (indicating double responsibility – superstars, public figures and CEOs often have these in their charts). See: <https://sarahyip.com/find-your-life-path/>
- Many of my clients are millionaires and investors. The most successful ones, use intuition AND logic to make decisions. Know your numbers, beat the odds. That said, modalities like numerology and Feng Shui should only be used as a second opinion.
- A professional numerologist, will look at your name, life path, numerology chart and personal year forecast before matching you to a house. I also take into account the street name and suburb. For brevity's sake we'll stick with house numbers today.
- To find your house number, reduce its address to a number between 1-9*. E.g. Apartment 34/ 5 Brown Street becomes $3+4+5 = 12/3$ address. Some numerologists would also consider this address to be a 7 major and 5 minor energy.
- *If it adds to a double number e.g. 11, 22, 33, 44, 55, 66, 77, 88, 99 do not reduce further as it's a Master Number or has the potential to be a Master Number.
- Don't stress if you have a Karmic 13, 14, 16 or 19 house. This can be fortunate if you have the same number in your chart, depending on how open you are to growth. See: <https://sarahyip.com/numerology-special-karmic-debt-numbers-13-14-16-and-19-the-kind-truth/>
- If you have more than one number for your house (e.g. different on a lease vs the actual letterbox or door), consider which number is used more frequently e.g. in documents. This is the one which will have most influence. Of course, it's also worth considering whether 'split identity' is an issue for the occupants living there!
- It's tricky to find a house that has perfect numerology for every occupant so focus on the owner and/ or breadwinners first. Generally speaking, lifepaths 1, 3, 5, 7, 9 do better in odd numbered houses. Lifepaths 2, 4, 6, 8, 11, 22, 33, 44 do better in even numbered houses. This is a broad suggestion.

House Numbers Summary

	Logic	Will	Intuition
Mental	No. 3 Solar plexus chakra – creativity No. 66 Cooperative ventures	No. 6 Third eye chakra – vision No. 33 Master Healer – wake ups and new community	No. 9 Soul Blueprint chakra – Old Soul/ humanitarian No. 99 ending cycle, evolution

A	B	C	D	E	F	G	H	I
J	K	L	M	N	O	P	Q	R
S	T	U	V	W	X	Y	Z	

- Some say you can change your house number to a more favourable energy by placing a number inside the front door, or getting the address rezoned (e.g. making 6 into 6a, i.e. a 7).
- In the end, your intention and how you live is more important than your address, as you attract what you are. When you invest in people, they will become your best assets.
